**Subject:** IRIS briefing 2-pager and background materials

Hi all,

Attached is a clean version of the 2-pager for the IRIS discussion with the Administrator. It has a placeholder for any issues identified for discussion that stem from the Monday meeting with NCEA.

Additionally, I've attached background materials that we have discussed sharing at the same time – these are copies of the updated responses from the program offices.

This should be everything in once place. Let me know if you have any questions.

-Lou
